

FS Series

Checkweighing Scale

***Easy-to-Use, Rugged
Waterproof Stainless
Steel Scales***

Features

- Exclusive Analog Sweep LCD Display. The FS Series is designed for quick operator judgement using our exclusive 30 segment Analog Sweep Display
- Tilt Display Head and Digital Keypad. Display head can be easily tilted for a better viewing angle or operator access
- Dual Range Flexibility automatically switches at half of scale capacity for accuracy where you need it
- Additional Pound/Ounce unit. Weigh in exclusive Pound/Ounce mode in addition to decimal pounds
- Battery Operation. The FS Series is powered by six 'C' size batteries that provide a minimum of 400 hours (Alkaline cells) of operation or use an optional AC adapter
- Waterproof to NEMA 4/IP-65. The FS Series is designed for use in wet environments and is suitable for hose down cleaning
- Backlit Display available for Low Light Conditions
